

DT-Week-10

L1 Test P2 & Empathy P3

- solve done, ideas got (cut for final part) → does it match your vision
- make careful decisions, do a priority list.
- working version → take to customers (this will be your EP3)
- ask for feedback, record them, observe carefully.
- Are the users using the app, as it was intended for.
- Try to cope in new users as well, this time.
- always min 2 people, one who observes & talks, other person jots everything down.
- check for the modified CTM.
- and assump^{ns} as well.

L2 Guest Interacⁿ → Mr. Venkatakrishnan Janakiaman
